Helping to Provide Affordable Access to RADICAVA® (edaravone) IV infusion

OUT-OF-POCKET COST SUPPORT OPTIONS

Searchlight Support® can answer questions about insurance coverage for RADICAVA®.

If you have commercial insurance coverage*

Searchlight Support® Out-of-Pocket Assistance Program†

PAY AS LITTLE AS **\$0** PER INFUSION‡

If you're eligible, your Care Coordinator can enroll you in our Searchlight Support® Out-of-Pocket Assistance Program to help you save on your deductible, co-pay and co-insurance costs for RADICAVA® and for your infusion.

*For eligible patients with commercial insurance. Restrictions apply.

†Searchlight Support® Out-of-Pocket Assistance Program is for eligible patients who have private, commercial health insurance with prescription coverage for RADICAVA® medication. Not valid for patients covered, in whole or in part, by government health insurance (ie, Medicare, Medicaid, VA, DoD, or other federal or state assistance programs). Other restrictions apply.

‡\$20,000 maximum program benefit for 12 months from the first eligible date of program participation. For full eligibility requirements and terms and conditions, ask your healthcare provider for a Searchlight Support® Out-of-Pocket Assistance Program brochure or visit radicava.com.

Please see accompanying Prescribing Information, including Patient Information, for Radicava®, also available at radicava.com.

Support for patients who are eligible for government-funded insurance

We can provide information about government health plan coverage for RADICAVA®, including:

- Medicare: medicare.gov/pubs/pdf/10050-medicare-and-you.pdf
- Social Security Disability Insurance: ssa.gov/disability
- Medicaid: medicaid.gov
- TRICARE/DoD/Veterans Administration: va.gov/vadodhealth/tricare.asp

We can also refer you to independent foundations that may be able to assist you with out-of-pocket costs.

Resources for patients who are uninsured

We can provide information about the Searchlight Support® Patient Assistance Program (PAP):

- The PAP is committed to helping patients in financial need who are uninsured
- Patients who meet program requirements may be able to receive medication at no charge for up to two years. Restrictions apply. See full terms and conditions at radicava.com
